Letter of Recommendation
For Yuri Cristiano Mascarenhas Diógenes

To Whom It May Concern

Yuri Diógenes worked with us as a Technical Consultant in Information Technology from January 1997 to January 1998. During this period Yuri Diogenes planning our Backup with CA ArcServe, installing network servers with Windows NT Server, create a File Server, implementing WINS, IIS 4, and configure some Windows NT Workstation.

He helps us to define the best practices for use in Windows NT environment to improve the performance and to obtain a better control of the network operating system. He created baseline of existing servers, evaluation and researching new technologies for our Company.

We can emphasize the posture and professionalism of Yuri Diógenes during the period that he worked with us. We recommend Yuri Diógenes to you without reservations.

Sincerely,

José Jader Farias Catunda
