Re: Letter of Reference

To Whom It May Concern:

The following is a letter of recommendation for Yuri Diogenes. Yuri Diogenes was employed with CompConTech from 12/19/03-07/31/04 in the capacity of a Technical Support Engineer, level 3. He was placed on site through us with Microsoft Corporation. His duties included telephone and web support of Windows NT/2000/2003 and Exchange 5.5/2000/2003.

During his contract with us, he demonstrated superb customer service skills and an in depth technical range of Microsoft Windows products. Mr. Diogenes obtained several Microsoft Certifications during his contract with us. Mr. Diogenes has been a valued employee, whom I would recommend to any company.

Please feel free to contact me if you need any additional information.

Thank you,
